CRITICAL QUESTIONS FOR DISCUSSION

1. WHAT SHOULD VIRGINIA FOCUS ON? PLEASE BE SPECIFIC.
(conservation/environmental practices, programs, requirements, geographic regions, etc.)

2. WHAT SHOULD VIRGINIA BE DOING FOR WATER QUALITY PROTECTION AND RESTORATION THAT WE ARE NOT DOING?

LIKEWISE, WHAT ARE WE DOING THAT WE SHOULD NOT BE DOING BECAUSE THE PRACTICE ISN'T WORKING OR ISN'T PRODUCING THE WATER QUALITY IMPROVEMENTS THAT ARE NEEDED/DESIRED??

3. WHAT ROADBLOCKS EXIST THAT MIGHT INHIBIT OR DELAY THE SUCCESSFUL IMPLEMENTATION OF OUR CLEANUP PLAN?

HOW DO YOU SUGGEST WE REMOVE OR MITIGATE THE ROADBLOCK?

4. HOW DO WE SET REASONABLE AND ACHIEVABLE TIME FRAMES TO ACCOMPLISH THE CLEAN-UP PLAN OBJECTIVES?
